About Us

With our 17 years of experience in the packaging sector, we produce Non-Woven bags with the POCHETTE® brand created within SD Group. With our experience in the packaging industry, we continue to add value to our customers' products, whose needs are increasing day by day. Our institution, established with the principle of quality products, high customer satisfaction and correct price, serves with high production capacity.

Our Vision

SD Group, aiming to become a leader both in the country and abroad with its wide production line ranging from eco-friendly POCHETTE brand non-woven bag production to environmentally friendly packaging, aims for the POCHETTE brand it has created to be among the rising values of Turkey.

SD Group, which constantly follows the technology with its innovative structure and makes investments in this field, trains its personnel by organizing in-service trainings and aims to produce with zero error in conditions in accordance with occupational safety and environmental standarts.

SD Asil Çanta aims to make the use of newe generation non-woven bags a habit in our contry, thus leaving a livable Turkey for our future generations with the production of eco-friendly non-woven bags.

Our Mission

SD Group, with its many years of experience in the packaging industry, manufactures the brands of its customers to reach the large masses with environmentally friendly non-woven bags.

SD Asil Çanta carries out the production of cloth bags that every sector needs with its superior service understanding that does not compromise on quality. our priorities include quality production, affordable prices and fast delivery.

SD Asil Çanta, which also serves in international markets with its domestic production technology and expert foreign trade department, becomes more advantageous compared to its competitors both in the national and international arena with its printing quality and packaging techniques.

Nasil çalışıyoruz?

İhtiyacınız olan alışveriş veya promosyon bez çanta ürünleri için kurumsal sipariş hattımız ile satış öncesi ve sonrası hizmetinizdeyiz.İletişim adreslerimizden tarafımıza ulaşarak, siparişiniz hakkında bilgi alıyoruz. Müşterilerden aldığımız bilgiler doğrultusunda, grafikerlerimiz tasarım çalışmalarına başlar.Modelleme ve tasarım yapılarak müşterilere sunulur. Müşteri onayını sonrası üretime geçilir.Baskı, kesim ve paketleme işlemleri bittikten sonra, müşterimize bilgi verilerek ürün sevki gerceklestirilir.

How do we work?

We are at your service before and after sales with our phone line or mail for your Non Woven Bag orders. We get information about your order by contacting us from our contact addresses. In the light of the information we receive from you, we move on to the design with our designer. When our desinger done her work, we present to you. After your approval, production starts. After the printing, cutting and packaging processes are completed, we deliver your bags by informing you.
